

GENERAL PROVISIONS

PROPOSAL REQUIREMENTS AND OTHER GENERAL CONDITIONS

STANDARDS:

All work included as a part of this contract shall be performed in accordance with the Public Works Construction Standards – North Central Texas, Latest Edition, as amended, North Central Texas Council of Governments or the City of Allen Standard Specification or Standard Construction Details, at the Engineer's discretion.

NOTE: The * symbol specifies that this item is also covered in the City of Allen's "General Provisions" to the "Standard Specifications for Public Works Construction, North Central Texas". These General Provisions are additional and modify the "Standard Specifications".
