Joint Approval of FY 2019-2022 Statewide  
Transportation Improvement Program (STIP)

James M. Bass  
Executive Director  
Texas Department of Transportation  
125 E. 11<sup>th</sup> Street  
Austin, Texas 78701

Attention: Marc Williams

Mr. Bass:

We have reviewed the FY 2019-2022 Statewide Transportation Improvement Program (STIP) received electronically on September 18, 2018. Supplemental information was provided on September 25, 2018 detailing fiscal constraint of the STIP, the STIP's compliance with the FAST Act planning requirements and continuation of FY 2019 and 2020 portions of the Beaumont-Port Arthur 2017-2020 TIP in the FY 2019-2022 STIP.

The Federal partners understand that fiscal constraint of the FY 2019-2022 is based in part on the reduction of anticipated project expenditures due to the identification of projects in the FY 2019-2022 STIP authorized in FY 2018; and TxDOT's ability to utilize up to \$500 million in short term borrowing. The Federal Partners are satisfied that the FY 2019-2022 initial STIP is fiscally constrained.

Additionally, portions of the 2019-2022 STIP in the Dallas-Fort Worth, El Paso and Houston-Galveston non-attainment and maintenance areas have been reviewed for consistency with their currently conforming Transportation Plans. Based upon this review we hereby find that the TIPs for these areas conform, except as otherwise noted in the enclosed project specific comments.

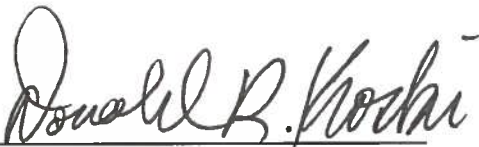

In accordance with 23 CFR 450.218, the FY 2019-2022 STIP includes the Transportation Improvement Programs (TIP) for each of Texas' Metropolitan Planning Organizations (MPO). We jointly find that the State of Texas and its twenty-five MPOs have generally complied with the joint statewide and metropolitan planning regulations issued by FTA and FHWA pursuant to Title 23 United States Code (USC) Sections 134 and 135, and the

Federal Transit Act under Title 49 USC, as certified within the STIP documentation.

Based upon our review, the FY 2019-2022 STIP is hereby approved subject to the enclosed comments. Please note STIP approval for projects that are not federally funded is not intended to provide federal endorsement or action. The Federal partners look forward to continuing to work with TxDOT and Texas' MPOs on the successful implementation of this STIP. We do want to thank TxDOT-TPP staff for their effort to complete the review and approval of the 2019-2022 STIP.

Please contact Ms. Lynn Hayes, FTA at (817) 978-0565, or Ms. Genevieve Bales, FHWA at (512) 536-5941 should you have any questions concerning this action.

Sincerely yours,
